a. At [redacted]

25X1A

[redacted] discussed the following items:

(1) Approval of training routes submitted by Det. H, specifically Rte 210. Reason for delay? (Answered by Proj Hqs subsequent to my departure from [redacted])

25X1C

(2) Commo personnel problems: I. e. [redacted] [redacted] (Answered by Commo/OPS/OSA subsequent to my [redacted] departure.)

25X1A

(3) [redacted] requests to be info addee on Hqs negative alert messages. (Review of previous message traffic indicates this an internal problem over there since they are and have been addees.)

(4) Inasmuch as two mission notification systems are in effect to [] training routes (through []) and Det. H operational missions (through 5 AF), it was the concensus of Det. H and [] representatives that the one training route (#203) which enters the [] could be eliminated, which subsequently would get [] out of the act except for the pure operational mission.
